## How to get the most from your CAA Membership

As a CAA Member, you often receive extra benefits and amenities with our preferred travel partners to ensure you get not only the best value, but also an exceptional experience when you book your travel with CAA.

For example, your CAA Member Benefit might be an exclusive onboard spending credit, photo package or reduced deposit when booking a cruise. You can then combine this with the CAA Vacations amenity, such as an additional onboard spending credit, specialty dining or a wine tasting.

When booking a tour, your CAA Member Benefit might be exclusive savings or an add-on credit. Then you can combine it with the CAA Vacations amenity, such as an additional experience voucher or even Double Member Benefit savings on specific trips.

Your CAA Travel Professional can help you get the most value from your vacation experience, so you get to see and do more as a CAA Member!
